Continuing, James said: and make a stump speech. He had no burro and asking with child like simplicity if that wasn't a Mexican goat. onl. be available for the expenses of the investigation heretofore ordered. Amendment adopted and joint resolution passed. Ellis, La., from the Committee on Appropriations, reported back the bill for relief of sufferers by werflow in the Mississeppi valley and by the cyclone in North Carolina. Laid on the table. Also, a favorable report on the resolution passed or less known, and added to it the fact that while postmaster at New York when asked by Stephen W. Dorsey to certify in my official capacity to a large number of papers connected with the contract office and to the Postoffice Department, refused to do so, may account for a certain bitter opported by the reguesting the Secretary of War to furnish the House from time to time with information of the pro-

judgment there exists such suffering as to justify a measure of relief on the part of Congress. Adopted.

Robertson, Ky., frm the Committee on Elections, reported a resolution unseating Tranquilino Luna, delegate from New Mexico, and seating in his place F. A. Manzanares.

Manzanares.

Manzanares then appeared before the House and took the oath.

Lewis, Va., from the Committee on Public Lanos, reported the bill to repeal section 22 of the act incorporating the Texas railway company and to declare the forfeiture of the land grant therein made.

Josition. General Garfield said he was said he was something wrong in the department, and thought, it so, he expected me to find it out. On the ninth of March, James, having in the mean time been appointed postmaster-general, the President sent for him and brought up the subject of the star route service. He said he was satisfied there had been wilful waste of public money, and corruptions and the unnecessary service must be cut off; that the proposed investigation must, if inquiry showed any persons were guilty of corruption or frauds, they must be feature of the land grant therein made.

Joseph Lewis, Va., from the Committee on Public money, and corruptions and the unnecessary service must be cut off; that the proposed investigation must, if inquiry showed any persons were guilty of corruption or frauds, they must be handed over to the department of justice.
